## U.S. Citizenship and Immigration Services

### Maryland - Baltimore Field Office

**We are expanding our online fee payment system. Starting Apr. 1, 2019, you will no longer be able to pay fees with a money order or cashier's check at this office. You can still pay with a personal check, debit card, credit card, or a reloadable prepaid credit/debit card.**

**This office is not accepting walk-in requests or scheduling InfoPass appointments.**

**You can get basic information about immigration services and ask questions about your case on our [Tools](#) page without visiting an office or calling us.**

**If you need help with document services (such as passport stamps and advance parole) or have an emergency, call the USCIS Contact Center at 800-375-5283.**

**Offices sometimes close because of bad weather or unexpected events. During bad weather, check this page or the main [Office Closings](#) page before traveling to make sure we are open.**

**To process applications faster, we are moving some of our application work to other field offices. Therefore, you might receive a notice (for example, for an interview or a Request for Evidence) that comes from another field office that has not handled your case before. This change does not affect where you will go for your biometric appointment. We will still send you to the closest USCIS application support center. Please follow the instructions in your USCIS notice. If you have questions about any notice you receive from USCIS, please contact the USCIS [Contact Center](#).**
